The Benefits

Key benefits for the employee

- Nationally accredited and recognised qualification
- Earn whilst you learn
- Scope for career progression and personal development
- Support and guidance from experienced subject experts
- Confidence and motivation within the job role

Key benefits for the employer

By enhancing the knowledge, skills and behaviours of your employees, this will, in turn, have a positive impact on your strategic business objectives. The affordability of the programme often results in a greater return of investment than other alternative training, such as graduate programmes.

How your employees will learn

We want to help your employees get the most from their training programme. Therefore, we will provide them with the support and guidance they need through a mixture of face-to-face and online learning. Learners will have a dedicated Assessor/Mentor who is there to guide them through their training programme. As well as their Assessor/Mentor, learners have unlimited access to learning and support materials online. They will also be allocated a dedicated Functional Skills Tutor if applicable. All of this will help the learner to meet the standards set, resulting in them becoming competent and fully qualified.

What your employees will learn

Mandatory units to be achieved:

1. Level 3 Security Front Line Manager
2. Apprentices without Level 2 English and Maths will need to achieve this level prior to taking the end point assessment.
